RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:
The Court to modify the defendant's release conditions to remove the requirement of electronic
location monitoring and curfew due to continuous cellular signal issues and equipment malfunction
generated at the defendant's residence. In addition, the ankle monitor is extremely difficult for the
defendant to wear as he regularly experiences ankle swelling from a medical condition for which he
has been hospitalized on previous occasions.

Assistant United States Attorney Justin Rodriguez and defense counsel Benjamin A. Silverman do not
object to this modification. Be advised the defendant has maintained full compliance with the
conditions of release.

I declare under penalty of perjury that the foregoing is true and correct.
